

RESIDENTIAL CARE HOMES

Residents of residential care communities are persons who cannot live independently but generally do not require the skilled care provided by nursing homes. For seniors who need assistance with daily living activities, residential care homes offer personalized service in a smaller, home-like environment.

SERVICES:

Meal Prep

Personal Care

Bathing

Dressing

Toileting

Medication Help

Housekeeping

Laundry

Social Activities

Transportation

AKA:

- Adult Foster Homes
- Adult Family Homes
- Care Homes
- Personal Care Homes

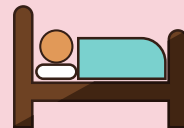

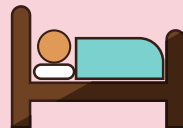

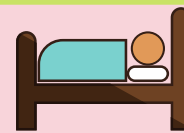

71%
of residents
in residential
care communities
are female

In
2016
an estimated
811,500
residents per
day were in
residential
care.

Residential Care Homes
typically have 10 beds or less.

MEDICARE
offers some level of
assistance for individuals
in residential care in
most States in the U.S.

COSTS
\$2200-\$3400
PER MONTH
